Get Connected to Virtual Health Care in 4 Easy Steps!

Beacon Virtual Urgent Care links you with a health care provider for live video visits from your smartphone, tablet or computer. Get connected from your home, office or anywhere!

Step 1: Click

Download the Beacon Connected Care app for your iOS or Android mobile device OR Visit **BeaconConnectedCare.org** from any browser.

Step 2: Register

Create your secure account. Your information will be saved for each future visit, too. Please have your service key handy.

Step 3: Choose

Select the provider that best suits you.

Step 4: Visit

Begin your online visit with the doctor.

You must enter the Concord Community Schools Service Key to receive these visits at no charge to you.

• **Service Key – CONCORD18**

• **Please note that this benefit is only for eligible employees and those dependents that are covered under Concord's health plan. If you are not eligible, you will be responsible for the charge.**
