INTRODUCTION

Concord Community School Corporation is located in Elkhart, Indiana. The corporation includes one high school, Concord High School; one junior high school, Concord Junior High School; one intermediate school, Concord Intermediate School; and four elementary schools, East Side Elementary, Ox Bow Elementary, South Side Elementary, and West Side Elementary. The 2018-19 student enrollment for the district is approximately 5340 students.

PURPOSE

Concord Community School Corporation is planning on purchasing fitness equipment in April 2019 for the newly constructed high school fitness area. This RFP is specifically for the power racks, rack accessories, lifting bars, plates, dumbbells, kettlebells, medicine balls, weights storage, sleds, presses, treadmills, and exercise bikes for this area.

GENERAL TERMS AND CONDITIONS/PROPOSAL SPECIFICATIONS

This document includes information to provide the vendor with enough information to quote fixed prices for equipment and delivery as specified.

- A total of fourteen lifting stations are requested; seven full racks with half rack add ons and seven dual sided half racks. The fourteen lifting stations have two adjustable benches each. Also requested are seven glute ham-hyper machines, seven lat pull/low row machines, three leg extension/leg curl machines, two 45 degree leg presses, one chest press, one incline press, one shoulder press. The proposal should include miscellaneous plates, dumbbells, kettlebells, and medicine balls, with storage included for loose pieces of equipment.
- All prices shall include delivery to the address below:
Concord High School
59117 Minuteman Way
Elkhart, IN 46517
- All equipment is to be delivered to Concord High School by July 22, 2019. This delivery date may be adjusted based on vendor' availability of devices, with prior approval. Concord's preference is to have equipment in place by July 25, 2019.
- Notification of delivery must be received 24 hours prior.
- Vendor to quote only brand new (no refurbished) equipment.
- Be certain to quote on the exact quantity, services, and other items specified. **NO SUBSTITUTIONS WILL BE ACCEPTED for the required quotes without prior approval, at the school's discretion.**

- The school corporation is tax exempt and as such will not pay any sales, use or property tax. Tax exemption certificate available upon request.
- All proposals submitted shall remain firm for a period of sixty (60) days upon receipt.
- The vendor shall include warranty information for all equipment offered with the proposal.
- Read all the general conditions here carefully before submitting your quote to be certain that you completely understand all requirements.
- Equipment and accessories costs should be verified and thoroughly checked before submitting your quote. If an error is made on the unit pricing, the school corporation cannot accept any responsibility. It is assumed that the pricing submitted is the price you will be honor. Therefore you will be legally held to this price.
- All packing slips and invoices must reference the purchase order number assigned to any items awarded to your company. Also, any back orders must be noted on invoices.
- The school corporation will not be responsible for any deliveries that are not signed for by an authorized employee of the Concord High School Athletic Department, the Director of Facilities, or the Director of Secondary Education.
- Provide Concord Community Schools Corporation with an MS Excel file containing the following information.
 - Part Name and Number
 - Serial Number
- Concord Community Schools Corporation reserves the right to accept or reject any or all proposals on each item separately or as a whole, to reject any or all proposals without penalty, to waive any in-formalities or irregularities therein. Concord Community Schools Corporation reserves the right to award any resultant contracts(s) as a whole or split award between competing parties. Concord Community Schools Corporation reserves the right to evaluate the proposal for each item separately. Selection of a proposal does not mean that all aspects of the proposal are acceptable to the the Concord Community Schools Corporation. The Concord Community Schools Corporation reserves the right to discuss proposals and negotiate modification of the proposal prices, terms, quantity, and conditions with any responsive, responsible quoting party who submits a proposal determined to be reasonably susceptible of being selected for the award, in conjunction with the award criteria contained herein, prior to the selection of the accepted proposal and/or the execution of a contract, to ensure satisfactory procurement. The Concord Community Schools Corporation reserves the right to determine if an alternate item(s) is equal to the specified item and will meet the Concord Community Schools Corporation requirements.
- Awards will be made to the responsible and responsive proposer(s) whose bid or proposal meets the requirements and criteria set forth by the school system and whose offer is determined to be

the most advantageous to Concord Community Schools, taking into consideration quality, performance, and the time specified in the proposal for the performance of the contract. Contract(s) shall be awarded to the person or entity that submits the best overall proposal as determined by the awarding authority using the criteria set forth below.

The bid security of the successful proposer(s) shall be held until the delivery and completion of the contract to the satisfaction of the School Corporation. Payment will be held for 30 days following the satisfactory completion of the contract.
13. The selected vendor(s) will indemnify Concord Community Schools, the State of Indiana, and the agents and employees of either, against damages, losses, and expenses (including attorney's fees and expenses) occurring in connection with or in any way incident to or, arising out of the performance, delivery, occupancy, service, operation, or performance of work in connection with any legal agreement/contract arising from the provider(s) response to this bid, except for matters caused solely by the school corporation's negligence.
14. Vendor must fill out Non-Collusion Affidavit, the Statement of Experience, and Oath and Affirmation form at the end of this document.
15. Failure to submit a quote response on time may constitute grounds for the rejection of the quote.

GENERAL RULES APPLICABLE TO THE SELECTION PROCESS

- Each proposer will be treated equally and fairly, with decisions being made on the stated criteria in meeting the stated goals in this RFP.
- For the purpose of assuring the Concord Community School Corporation of the quality of workmanship, materials, equipment and service, the school corporation will retain the right to qualify or disqualify vendors on the basis of available information covering their service and the suitability of their quotes for the project.
- All equipment and service as specified herein will be made by a reputable experienced company and shall conform to the specifications.

- The school corporation reserves the right to accept or reject any quotes, and to award the contract to other than the low quotes if the lowest quotes are deemed unresponsive.
- The quotes will be considered and awarded not solely on price, but also in conjunction with specifications and evaluation of references. All vendors will be advised on the decision as soon as the quotes have been awarded by the school corporation.
- Vendors shall furnish school corporation with brochures, documentation and specification sheets, if requested.
- Award will be made to one vendor whose proposal is determined in writing to be the most advantageous to the school corporation, taking into consideration price and other evaluation factors set forth in the specifications.
- The school corporation reserves the right to reject any or all quotes and/or at its discretion allow for the correction or withdrawal of inadvertently erroneous quotes before or after a bid award if we agree with the vendor the erroneous quote was inadvertent.
- The contract shall be deemed to have been awarded when a purchase order for designated services has been issued by the school corporation official who is authorized to issue orders.
- Any quote may be rejected if it contains any alterations or erasures without being properly initialed by the person submitting the bid.
- The vendor shall submit an invoice upon acceptance of completed services, payment will be made within sixty (60) days.
- All contact following issuance of the RFP until submission of proposals is through the designated contacts listed below, Proposing Parties are not permitted to communicate with Concord Community Schools Corporation staff regarding this solicitation during the period between the RFP issue date and announcement of award.
