## September 2019

Welcome to the 2019-2020 school year. I am so excited to begin my 11th year as the principal at Concord West Side. Each and every year is truly different in many ways, however the one constant, is the great relationship we have between home and school. Please know that you can always contact me, or if you would like to meet live, I enjoy seeing and talking with you. Our staff is committed and ready to help your child grow and learn this year! Let's have a fantastic school year and we will see you soon! Mr. Gerard Donlon & Mrs. Jessica Brock

Parents, we know this year is challenging with our early start time, and it may be difficult for everyone to get going each day. However, as you know school attendance is vital for your child's academic successes. Please help by making sure your child is in attendance each day!
