**Medical Concierge Service:** Concord Community Schools offers a Medical Concierge Service through Akeso Care Management (ACM), which all plan participants are enrolled in. This service is designed to assist you, the member, in locating the highest quality provider (based upon national statistics) for services rendered. The Concierge will negotiate with the selected provider for the best reimbursement rate for both the member and the plan. This will help control health care and plan costs which in turn will help control premium costs. Before assessing inpatient or outpatient services you will need to call the Concierge at 877-654-6229 or a \$250 penalty will be incurred. This number can also be found on your ID card.
