Principal: Javier Jimenez

Asst Principal: Julie Dawson

Dear Families,

I hope that your experiences with parent teacher conferences were positive and you were able to connect with your child's teacher. The connections between home and school are so very important! Working in partnership is the best way to help our children reach their potential!

Now that fall has officially arrived and the unpredictability of Indiana weather is also here, I am asking for your help in making sure that warm clothing is sent to school with your child. It is not a bad idea to make sure that warm jackets, stocking hats, gloves/mittens are being sent with your child to school and these clothing items are labeled. Once the snow begins to fly, also make sure that boots and snow pants are making the trip with your child, labeled as well. We will continue to go out for recess during cold weather, so please help in making sure that proper clothing is sent with your child. Please continue to read and ask your student about what they are learning at school each day!

Mr. Jimenez

IMPORTANT DATES:

- 11/2 - 11/6 Red Ribbon Week
- 11/3 PTO Meeting 6:00pm
- 11/18 School Pictures
- 11/25 - 27 NO SCHOOL - Thanksgiving Break

Chromebook Care

What should students do to take care of their Chromebooks?

- Charge it EVERY night (Leave your charger at home)
- Bring your chromebook to school EVERYDAY
- Never leave your Chromebook unsupervised
- Please do not eat or drink while using your chromebook.
- Do not let anyone else use the Chromebook, your charger or stylus)
- Chromebooks should not be stored in a vehicle for security and temperature control reasons.
- Clean the screen with a soft, dry, microfiber cloth or anti-static cloth. Do not clean the screen while the computer is on.
- Never remove the case, you may only personalize the case, not the device.

Visit our [District website](#) or click on [Digital Learning at Concord Community Schools](#) to view the Chromebook handbook and learn more information about your chromebook and for tips to try before calling for technical assistance

Replacement/Repair Costs:

Chromebook replacement: \$375

1st repair - Free,

2nd repair - \$50

3rd repair - Full cost of repair

Lost or damaged items: Chromebook Case: \$39.93

Charger: \$51, Stylus: \$23

If your student withdraws from Concord, the device and all accessories need to be returned.

If not, a bill will be issued to you for the replacement cost of \$375 + case price \$39.93

High Ability Identification Begins

The identification process for the High Ability Program will begin this month. The screening pool of students to be considered is currently being established, based on previous test scores, teacher recommendation, and/or parent recommendation. Letters will be sent to the parents of students who qualify. Those students will then receive further testing throughout the school year. Please watch for this important information.

If you would like your child to be considered for High Ability testing, please contact Elizabeth King, High Ability teacher, by Friday, November 20, 2020. Parents making this request will receive a parent recommendation form. If you have any questions, please contact Miss King at eking@concord.k12.in.us or 574-875-8538.
